DECLARATION OF KAMAL ACHARYA UNDER 37 CFR § 1.131

- 1. My name is Kamal Acharya and I am an inventor of the subject matter claimed in U.S. Patent Application Serial No. 09/975,831.
- 2. Claims 103 and 6-25 stand rejected under 35 USC 103(a) as being unpatentable over Pricescan in view of U.S. Publication No. 2002/0160766 ("Portman").
- 3. Portman was filed on September 4, 2001 and was published on October 31, 2002. Portman claims priority from a provisional application filed April 27, 2001.
- 4. My application was filed on October 11, 2001, five and one half months after Portman's earliest priority data was filed and twelve and one half months before Portman was published.
- 5. I have reviewed the claims of Portman and find the claims to be drawn to an invention other than that set forth in the claims of my application. Accordingly, my application does not claim the same subject matter as Portman.
- 6. I conceived and reduced my invention to practice prior to April 27, 2001.
- 7. As evidence of my prior conception and diligent reduction to practice, I enclose herewith the following exhibits:

The documents submitted herewith provide a complete teaching of my invention 10.

as currently claimed.

Accordingly, the above-mentioned documents are of such character and weight

as to establish reduction to practice of my invention prior to the effective date of the

reference. Further, the documents, coupled with the preparation of a patent application

on the part of my attorney, establish conception of the invention prior to the effective

date of the reference coupled with due diligence from prior to said date to a subsequent

reduction to practice as accomplished by filing of my application.

In view of the foregoing, Portman is not a proper reference upon which a 12.

rejection of my claims can be made, and my application is now deemed to be in

allowable condition.

All statements made of my own knowledge are true, and all statements made on

information and belief are believed to be true. I understand that willful false statements

and the like are punishable by fine or imprisonment or both (18 USC § 1001) and may

jeopardize the validity of this application or any patent issuing thereon.
